

## **86,000 educators, 86,000 voters – organizing to win in 2018**

### **Early voting begins Sep. 21, 2018**

33,000 educators did not vote in 2014 and more than 8,000 grassroots activists were disengaged in 2016. We can win the 2018 elections if we unite in voting and in grassroots action - potential activists and voters work in every school in Minnesota!

**Grassroots activists are needed for an unprecedented campaign of worksite organizing, campus organizing and phone and door-to-door canvassing.** Together with other unions and community partners, Education Minnesota members can lead a historic campaign to get-out-the-vote for strong public schools, fair workplaces and a just and inclusive Minnesota.
