

# 4 things we are asking you to do

- 1) Back-to-school: send personalized messages to targeted voters and activists at your worksite
- 2) Before Sep. 21: have a conversation about real things in our lives and what we want to win
- 3) Organize two worksite activities to collectively vote and be active in grassroots activities
  - *Voting early*
  - *Fun, social, collegial!*
  - *Peer pressure for voting and political action*
- 4) Get-out-the-vote!
