

# **10-MINUTE MEETING AGENDA SCHOOL SAFETY AND MENTAL HEALTH**

## ***I. School Safety/Mental Health Video (3 minutes)***

**#EDMNVOTES**

## ***II. Background on School Safety and Mental Health (3 minutes)***

**#CHOOSEUNION**

- a. What does school safety look like in your building?
- b. What are staffing ratios like for support staff to student population?
- c. What proactive things are being done to check in with students?

## ***III. Reach out! (3 minute)***

- a. What do people think about community schools in your building? How can you implement full service school practices in your school?
- b. What opportunities do you have to talk to those folks? Plan a conversation!

## ***IV. Demand what you need at the table AND the Capitol (1 minute)***

- a. Bring what you and your students need at the bargaining table. Don't hold back.
- b. Make a plan to come to the Capitol or meet with legislators back home. School safety and mental health are directly related. We need legislation and elected officials fighting for fully funding schools.
