

No matter what they look like or where they come from, tens of thousands of educators from across Minnesota are joining together in a movement for the schools our students deserve.

# Unite for action in the following ways:

1. In winter/spring 2020, attend activities at your building to learn more about the movement for full funding. Pledge to vote and join the movement!
2. Take part in a unity selfie action with everyone in your building the week of April 20-24.
3. Learn about who is on the ballot for Minnesota Legislature and their stances on fully funding public education.
4. By Oct. 30, ask one parent or community member to complete our survey and pledge to join our movement.
5. On Nov. 2, join tens of thousands of educators and community members for a walk-in event at school to stand up for students the day before Election Day.
6. On Nov. 3 (or before), vote for public education!
7. Beyond Nov. 3, join ongoing actions with your co-workers to pressure legislators to fully fund public education during the next legislative session, January to June 2021.
