

VOTE IS A VERB!

General Election early voting begins 9/18/20.

Election Day is 11/3/20.

Voting in 2020 is the easiest step you can take to guide the direction of our communities, state and country. You are voting for the future you want to see.

But first, you need to register! Thankfully in Minnesota, registering is easy.

In Minnesota, you can register to vote online, by submitting a paper application, or in person on Election Day. To avoid wait times at the polls, it's best to register in advance. Advance registration closes on Oct. 13. After that, you would need to register at your polling location when you go vote.

Due to COVID-19, it is encouraged for everyone to register ahead of time to make sure any in-person voting can take place as quickly as possible, on Election Day or before.

Register online or download a paper application at www.sos.state.mn.us/elections-voting/register-to-vote.
