Honesty in Education

15. What can you do to protect teachers in the classroom and ensure that they have the freedom to teach?

All students deserve the freedom to learn an honest history of our nation, both the good and the bad, so they can learn from our mistakes and create a better future for all Minnesotans. We can ensure this happens by supporting educators with the resources they need to support students and ensure that we stop efforts

to ban accurate, age-appropriate lessons about the role of racism, gender and civil rights in America.

I have a 100% AFL-CIO voting record and am a proud supporter of organized labor. I am currently carrying legislation that strengthens benefits for union members in our schools (ESP Bill of Rights), as well as a staffing bill for the Minnesota Nurses Association. The entire House DFL Caucus has prioritized labor and workers this session. I fully support the items listed above and commit to using union materials.

Do you oppose efforts that would delete constitutional mandates for using taxation to fund public education funding and for providing equal access to public schools to all students?

Yes No

Do you also oppose these same efforts that would enshrine standardized testing – with all its racial, cultural and economic biases – into the Minnesota Constitution?

Yes No
