Q10. Education Minnesota believes in restoring fairness to the state tax code by raising revenue from the very wealthiest corporations and richest households and reducing the reliance on local levies to fund schools. What progressive, equitable ways to raise state revenue do you support?

We must shift the tax burden back to those who can afford to pay it through a 5th tier, a wealth tax, a social media tax, closing of tax loopholes like for luxury jets, and revoking the tax breaks to data centers.

None

I carried the bill to ban book banning. Exploring stories with different points of view can help to expand our students' minds, and being able to find main characters that look like you is critical to how you see your self.

Significant investment in trauma centered therapy and care for both staff and students.
